A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8, starting from the central incisors at the midline and moving outwards to the molars. The numbering is symmetrical on both sides. The diagram is divided into four quadrants by a vertical and a horizontal line intersecting at the center. The quadrants are labeled with letters: 'D' at the top-left, 'C' at the top-right, 'B' at the bottom-left, and 'A' at the bottom-right. The teeth are shown in a simplified, schematic style with visible cusps and roots.
