A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on each side, starting from the central incisors (1) and moving towards the molars (8). The diagram is divided into four quadrants by a vertical line (H) and a horizontal line (D). The quadrants are labeled: H (top), G (right), B (bottom), and D (left). The teeth are shown in a simplified, schematic style, with the central incisors (1) being the largest and most prominent.
