A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving towards the molars (8). The diagram is divided into four quadrants by a vertical line (midline) and a horizontal line (occlusal plane). The quadrants are labeled with letters: 'H' at the top, 'B' at the bottom, 'D' on the left, and 'G' on the right. The teeth are shown in a simplified, schematic style, with labels 'W' and 'Y' on the incisors and 'L' on the canines.
