A diagram of a human dental arch, likely a maxillary (upper) arch, showing the arrangement of teeth. The teeth are numbered 1 through 8 from the center (midline) outwards on both sides. The central incisors are labeled '1', the lateral incisors '2', the canines '3', the first premolars '4', the second premolars '5', the first molars '6', the second molars '7', and the third molars (wisdom teeth) '8'. The diagram is divided into four quadrants by a vertical line (midline) and a horizontal line (occlusal plane). The upper right quadrant is labeled 'H' at the top and 'G' on the right. The lower right quadrant is labeled 'B' at the bottom and 'G' on the right. The lower left quadrant is labeled '1' at the bottom and 'B' on the left. The upper left quadrant is labeled '1' at the top and 'H' on the left.

This image shows a single sheet of white paper with horizontal dashed lines, similar to notebook paper. The lines are evenly spaced and run across the width of the page. There are some small, faint yellowish spots or smudges scattered across the surface, particularly near the top and bottom edges. The overall appearance is that of a clean but slightly used piece of paper.
