A diagram of a human dental arch, likely a maxillary (upper) arch, viewed from the front. The teeth are numbered 1 through 8 on both sides, starting from the central incisors (1) and moving towards the molars (8). The central incisors are labeled 'H' at the top. The diagram is divided into four quadrants by a vertical line and a horizontal line. The quadrants are labeled 'H' (top-left), 'G' (top-right), 'B' (bottom-left), and 'A' (bottom-right). Red arrows indicate the direction of tooth movement or wear, pointing towards the center of the arch.
