ACCORD MUPRAS : _____

A diagram of a tooth arch, likely a maxilla or mandible, showing the arrangement of teeth. The arch is divided into two halves by a vertical line. The top is labeled "Haut" and the bottom is labeled "Bas". The teeth are numbered 1 through 8 on each side, starting from the center (midline) and moving outwards. The diagram illustrates the relative positions of the teeth, with the central incisors (1) being the most prominent and the molars (8) being the most posterior.

OBSERVATIONS : _____

This image shows a single sheet of white paper with horizontal blue ruling lines. The lines are evenly spaced and run across the width of the page. There is a vertical crease or fold line down the center of the paper. The paper appears to be part of a notebook or a set of loose-leaf paper.[illegible]
