 $OS : (135^\circ - 1,25) - 1,25$

A diagram of a human dental arch, viewed from the front, showing the arrangement of teeth. The teeth are numbered 1 through 8 on each side, starting from the center (incisors) and moving outwards (premolars, molars, and wisdom teeth). The quadrants are labeled with letters: 'H' at the top center, 'B' at the bottom center, 'D' on the left side, and 'G' on the right side. A vertical line divides the arch into two halves, and a horizontal line divides it into upper and lower sections.
