A diagram of a human dental arch, likely a maxillary (upper) arch, showing the arrangement of teeth. The teeth are numbered 1 through 8, starting from the central incisors (1) and moving outwards to the molars (8). The diagram is symmetrical about a vertical midline.

This image shows a full page of blank graph paper. The grid consists of light gray horizontal and vertical lines forming small squares across the entire page. There are no margins, text, or other markings on the paper.

[illegible]
